

Remarks

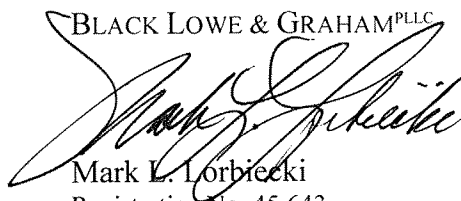

In a non-final office action dated November 14, 2006, the Examiner rejected all of the pending claims, Claims 1-15, 17-25, 49-61, 63-71 as directed to non-statutory matter. Claims 3, 6-11, 15, 51-57, and 61 were objected to as informal under section 112 second paragraph.

The Applicant has amended each of the independent claims, Claims 1 and 49, and the several claims objected to, Claims 3, 6-11, 15, 51-57, and 61. The independent claims now read on the statutory matter in that interaction with the claimed systems causes modification of legacy data.

CONCLUSION

The Applicant thanks the Examiner for a thoughtful and thorough examination of the claims. The Applicant is grateful for the Examiner's insights. In the event that any of the claims as amended or the arguments set forth herein raise any questions, the Applicants request that the Examiner contact the Applicant's attorney of record, the undersigned.

Respectfully submitted,
